

#### VERSE ONE

The way I've been, been feeling  
Like somethings wrong I need a change  
A little moment without rain  
Every time you look away  
Reminds me of how things  
Just aren't the same as they used to be

#### PRE CHORUS

Baby tell me what the price is  
For you to see me like this  
Beautiful enticing  
Pretty when the light hits  
With me when the night ends  
Leaving all the fighting  
Peace of mind but no piece of mine you see

#### CHORUS

Calls missed calls, too many drinks  
Left me on read, like what did you think  
Stumblin over the countless lies  
Lay in bed while I'm up all night  
These calls missed calls, and too many drinks  
Left me on read, cause you couldn't think  
Stumblin over the countless lies  
You lay in bed while I'm up all night

#### VERSE TWO

Patience with me darlin I still got my life to live  
You say  
With a smile on your face  
You pray that I'll let you go and play  
You crave when I'm giving you some space  
You bathe in the feelings of a break  
I've given what I have  
But it's never given back

#### PRE CHORUS

Baby tell me what the price is  
For you to see me like this  
Beautiful enticing  
Pretty when the light hits  
With me when the night ends  
Leaving all the fighting

Peace of mind but no piece of mine you see

CHORUS

Calls missed calls, too many drinks  
Left me on read, like what did you think  
Stumblin over the countless lies  
Lay in bed while I'm up all night  
These calls missed calls, and too many drinks  
Left me on read, cause you couldn't think  
Stumblin over the countless lies  
You lay in bed while I'm up all night
