## ELEV8 - Shayla Hamady

I've been only drinking the greatest
I got my personal water with me it's better than basic
Baby been getting my mind right and living the great life
Getting my mind right
And living the great life
I've been only drinking the greatest
I got my personal water with me it's better than basic
Baby been getting my mind right and living the great life
Getting my mind right
And living the great life

Life is a movie and you play the main role
Got yourself feeling energy, you've been hitting your goals
Gotta wake up and get ready with a reason to go
So grab the world's greatest water Elev8in your soul
I said Elev8
Celebrate to a greater life
You and me
The whole world gonna do it right
One, two
Three, four
Counting days now
Get into my mind cause I'm elev8in this life now

I've been only drinking the greatest
I got my personal water with me it's better than basic
Baby been getting my mind right and living the great life
Getting my mind right
And living the great life
I've been only drinking the greatest
I got my personal water with me it's better than basic
Baby been getting my mind right and living the great life
Getting my mind right
And living the great life

Your personal water free from all chemical additives Sharin love and happiness Crossing items off the list Refresh, revive, it's the water for the mind
